I have been an independent (self-employed) insurance broker (life, disability, and health insurance) since 1987; Along with the French Girl, we created and operated a vacation rental management company in Port Renfrew (British Columbia) managing 25-30 privately owned recreational properties. We did that from 2011 until we sold the business in November of 2020; I was president of the Port Renfrew (British Columbia) Chamber of Commerce from March 2013 to March 2021.
