Brief bio of qualifications and experience

I am a joint owner with my husband on a lot with home for 14 years in good standing. At this time I am semi retired working for an International builder, on a building project requiring independent decision making as well as working with a team. Living six months of each year in Playa de Oro has given insight into how important it is for community involvement with our home owners association. I have been a part of the present board for 2 years. I have held the position of Vice President as well as President within the last two years.
